## County Again Host To District Red Cross Meeting

### Marshall CofC Has Offices In Benton City Hall Building

#### Council Met In Special Session To Grant Space

The Marshall County Chamber of Commerce will have its offices in the Benton City Hall. A special meeting of the Benton City Council was held Friday to decide upon furnishing this office space to the newly formed organization in order that they might be centrally located, not only for Benton but for the entire county.

This chamber was just formed this month and is still in the formative stage, though some progressive work has already been done. One of the first projects was to obtain a listing of all available housing to draw as many atomic bomb plant workers as possible into the county, secretary Paul Darnall says. Several people have so far listed rooms and apartments with them that are available now, he urges all who have rooms, apartments or houses to rent to let the chamber know as quickly as possible.

Curt Phillips is President of the organization and B. L. Trevathan is vice-president. One of the prime reasons for the organization is to draw industry into Marshall County and a concerted effort is to be made in that direction, some ground work along that line has already been started, it was learned today.

### Palma Club Holds December Meeting With Mrs. Powell

The December meeting of the Palma Homesteaders Club was held at the home of Mrs. Clarence Powell with the business session being called to order by the president, Mrs. Francis Foust.

The subject of the lesson was "Cooking" which was given by Mrs. Sid Walker and Mrs. Orville Chumley. Thirteen members and two visitors were present. Christmas gifts were exchanged by members of the club.

The recreation leader, Mrs. Mrs. Blanche Little, took charge of her part of the program. Devotional was read by Stella Foust. Thought for the day was by Edith Whittaker. The January meeting was scheduled for the home of Mrs. Mack McClard, it will be pot luck and all members and visitors are urged to be present.

### Explains Social Security Plan To Joe Williams

Governor Lawrence W. Wetherby was prompt in replying to a letter of inquiry from Benton City Clerk Joe Williams, this week, concerning Social Security for public employees. A news release from Frankfort was worded so that it implied that Mr. Williams had asked the Governor to call a special session of the legislature to act on this problem. However, Mr. Williams had merely written the Governor for a clarification of the question and the Governor was very prompt and courteous in responding with all pertinent information. His letter in full to Mr. Williams says:

Commonwealth of Kentucky  
Executive Chamber  
Lawrence W. Wetherby  
Governor  
Frankfort  
January 8, 1951  
Mr. Joe Williams, Clerk  
City of Benton,  
Benton, Kentucky  
Dear Mr. Williams:  
The question of social security for public employees, about

### Cuba And Lone Oak Play In Purchase-Pennyrile Games

Cuba and Lone Oak vs. Nortonville and Graham is the slate for the sixteenth renewal of the Purchase-Pennyrile tournament at Murray. This annual mid-season high school basketball show, scheduled for January 18 in the Carr Health Building, pits two outstanding teams from the Purchase area against two equally fine teams from the Pennyrile.

The Purchase could hardly be better represented in the contest than by Lone Oak and Cuba. The two teams are given third and sixth places, respectively, in the Kentucky-wide Lutenhous ratings. Lone Oak is rated tops in the First Region, hotbed of champions, by more than one means of reckoning. The Purple Flash, coached by Jack Eans, has an 11-2 record and holds wins over Heath and Wickliffe, both in the state's top 25. The McCracken count down went to the finals of the Paducah Christmas tournament before losing to Cave-in-Rock, Ill.

The Cubs of Cuba spun a 15 game winning skein before that same Cave-in-Rock, Ill., snapped it in the Paducah semi-finals. Coach Jack Story's eager charges romped through the Graves county Christmas tournament, and are ranked second only to Lone Oak in the Purchase by the Lutenhous.

Graham is rated as a strong contender for the Fourth Regional crown, and holds a win over Hughes-Kirkpatrick, one of the other powerful teams of the area. Bob Gillaspie's Night Hawks have been rated to a 14-3 record by Rubye Vincent, top scorer of Muhlenberg county. The Nortonville Badgers of "Fats" Sisk complete the Pennyrile roster. This Hopkins county aggregation has been led by O'Neal Lewis, its tall Nortonville to a 14-2 record. Nortonville is rated high in the Second Region.

### O. C. Parks Dies Sat. In Alabama

O. C. Parks, formerly of Benton, died Saturday, January 6, at his home in Athens, Alabama. Mr. Parks was the father of Mrs. Sam C. Wyatt, Camden, Tennessee.

Mr. Parks was employed by the T. V. A. while Kentucky was under construction and lived in Benton several years.

### Governor Wetherby Replies To Inquiry Of Benton City Clerk

which you wrote, has given me a great deal of concern, and immediately upon assuming office as Governor I asked Attorney

new Act. After studying this matter General Funk informs me that under the present laws I cannot sign such an agreement without specific authorization from the State Legislature. I am very sympathetic with the social security program and I deeply regret that the amendment to the Social Security Law by the Federal Congress on August 29, 1950, was not adopted before the 1950 session of the Kentucky Legislature adjourned on March 17, 1950.

While it is desirable to have an enabling Act immediately, I do not feel that it is of such an emergency that justifies me in calling a special session of the Legislature in view of both domestic and international conditions with which we are now faced. However, I am confident that the merits of this needed legislation will be apparent immediately to the 1952 Legislature and that enabling legislation will be submitted to the membership early in the session so that the various public employees in Kentucky may participate in this broadened social security program.

Sincerely yours,  
Lawrence W. Wetherby  
Governor

### Treas Lumber Sponsors 4-H Club Contest

The Treas Lumber Company of Benton will sponsor a Forestry contest for 4-H clubbers in Marshall County this year with a tentative plan for making it a five year project.

All boys and girls enrolled in County 4-H clubs and between the ages of 12 to 18 inclusive are eligible to participate. The object of the contest, which will close with the awarding of cash prizes and a big banquet, is to encourage farm boys and girls to appreciate the value of the woods as another field. Contestants will learn to identify trees, to estimate timber, planting and the need for protection against fire and livestock.

Treas Lumber Company will sponsor the big banquet for all entered in the contest this year. The contest closes in September when the winners will be announced.

### Hold Pie and Box Supper Wednesday

A pie and box supper will be held at the Sandra Ridge School house Wednesday night, January 17, starting at 7 o'clock under sponsorship of the Altona Homemakers Club.

There will be gifts for a cake walk, prettiest girl and for the correct guessing of beans in a jar.

A beautiful pair of pillow cases, made by Mrs. Lela Forsee, will also be awarded. Music will be furnished by Boyd Phelps and Company.

The proceeds of the evening will be used to send a delegate to the Homemakers Convention to be held in Lexington.

### Lions Club Moves Meeting Time Back

The Benton Lions Club, after several months of meeting at 8 o'clock each Tuesday evening, has now changed back to the original meeting time of 6:30, they announce.

The meetings are held at the Community Building and the Homemakers Clubs of the county are in charge of preparing the meals. This arrangement was started with the New Year.

### Flag Presentation

A large American flag was presented to the Woodmen of the World just before the start of the Hardin-Brewers basketball game in the Hardin gymnasium last week.

Rev. Hanson, district manager of the WOW, introduced Rev. Leslie Lee, Hardin Methodist minister, who made the presentation. Rev. Lee delivered an inspiring talk to the scouts and to the large crowd assembled for the basketball game. He pointed out the Fraternity in Action program which is nation wide by the Woodmen of the World.

The presentation was made by Rev. Lee on behalf of the Hardin WOW Camp to Clint Skaggs, chairman of the Boy Scout

### New 1951 Plymouth To Be Displayed Here On Saturday

The big and roomy new 1951 Plymouth automobiles will go on display at the Benton Auto Exchange in Benton Saturday.

Mr. and Mrs. J. D. Gammel, operators of the agency, announce that the new Plymouth is the finest car ever to be offered and combines many new features with the best of the old features being retained.

Easier to drive and more comfortable, the new Plymouths have even greater beauty, more safety features and broader ranges of vision than ever before. Designers have given the new Plymouth a striking new silhouette and refinements in the interior are innovations in the lowest price field. There are numerous mechanical changes. Windshield wipers are electrically operated, and are of the single speed, self parking type. A unique new pressure-vent radiator cap has been added that under high load, high temperature driving conditions, provides a pressurized cooling system to allow high coolant temperature without boiling or loss of anti-freeze.

### Possum Trot Plays Sharpe In Donkey Game Monday Nite

A donkey basketball game will be held at Sharpe High School, Monday night. The Dads of Possum Trot will play the Dads of Sharpe of the surrounding community and a thrilling game is promised. The Dads and the Donkeys will be out to hang up a world record for high scoring, and some will be trying for a record of staying aboard the donkeys. Lots of fun and thrills for all are promised at this big game. master, Leon Parker, is beside

#### War Two Vets May Borrow \$10,000 To Build Homes

Under a recent act of Congress, the Veterans Administration is authorized to make a loan directly to an eligible veteran of World War II under the following circumstances and conditions:

1. The loan does not exceed \$10,000; is made before June 30, 1951; and is used for the purchase or construction of a home or for the construction or improvement of a farmhouse or is located in one of the counties designated as an area in which direct loans may be made, and, 2. The veteran is unable to obtain from a bank or other private lender a loan for such purposes at 4 percent interest, and,

3. The veteran has not previously obtained a VA guaranteed or insured loan; is a satisfactory credit risk; makes a cash down payment on the purchase price in the amount required by recent credit restrictions; and is eligible in all other respects for such a loan.

Marshall County is a designated area in which such loans may be made, but as of this date the Veterans Administration has received very few applications from veterans in this county.

Any eligible veteran who is interested in obtaining such a loan directly from the VA should write to the Loan Guaranty Division of the Veterans Administration, Regional Office, 1405 West Broadway, Louisville, Kentucky, for full particulars.

### Wildcats Claw Wickliffe 51-47 Monday Night

The rapidly improving Calvert City Wildcats whipped the once-beaten Wickliffe Tigers on Monday night 51-47 with a well balanced attack seeing five Wildcats distributing the scoring load.

Hamilton gathered in 15 points. Bobby McLeone 12. Hargrove 9. Smith 8, and Hall 7. Rollins, lanky pivot man, collected 17 points for top offensive honors.

Calvert got off to a good start and held an 11-8 edge at the close of the initial frame but the Tigers closed it up to 20-19 at half time and at the three quarter mark the tally was knotted at 37-37, in the final stanza the Wildcats hit the net for four teen points while allowing the Tigers ten to emerge with a clean 51-47 margin.

St. Mary's is scheduled to appear at Calvert City next Tuesday.

### Sheriff Breaks Arm In Fall At Belleville, Ill.

A broken left arm was the result of Sheriff Volney Brien mixing pleasure with business. Going to Centralia, Illinois to return a mental patient, Sheriff Brien was forced to remain overnight. He accepted an invitation to attend the wrestling matches at St. Louis and on the way a stop was made at a service station in Belleville, Illinois for gas. Sheriff Brien stepped from the car onto the driveway, slipped and broke his arm.

He was taken to a hospital in East St. Louis for emergency treatment and returned home with his patient.

### Benton Indians Whip Murray 57-46 Tuesday Night

The Benton Indians, after a slow first quarter, bounced back to wallop the Murray High eagles here Tuesday night 57-46. Scoring was well balanced with Thompson leading with 16 points, Castleberry got 14, Jones 11, Henderson 8, Hicks 7.

Murray held a 10-8 edge at the close of the first period but at half time the Indians had called ahead 25-18, the third period saw them leading 43-30 and the final frame brought them to a 57-46 victory.

At New Concord the hard charging Blue Eagles, led by Larry Garner with 16 points, outlasted New Concord in a thrilling 37-35 win.

Hardin was ahead 9-8 at the first period, at half time the score was knotted 19-19 and at the close of the third period, the Blue Eagles had a one point edge 29-28, and the final tally read Hardin 37, New Concord 35.

Symson's Rough Riders continued to snow under opposition by walking over Melber 77-59, with Melburns burning the net for 23 points.

Melber was in front 19-15 at the close of the initial frame and at half time were leading 34-30, but in the third stanza the Rough Riders turned on the lead, keeping up the furious steam and forged into a 54-48 pace they closed with a 77-59 margin.

### Fiddlers' Contest At Breezel Will Be Fri., January 19

An old time fiddlers' contest will be held at Breezel School Friday night, January 19 under sponsorship of the Parent-Teacher Association of that school.

Breezel School is well known for its always successful entertainment features and this promises to be one of the best. They have secured the services of radio artist Fuzzy Davis as master of ceremonies, this in itself insured a successful evening of entertainment for everyone.

Prizes will be given for many things besides the best fiddlers. The biggest liar will receive a testament; the man with the longest nose will get five pounds of sugar; the man with the largest feet will receive a prize; the most bald headed man will be given an award; the ugliest couple will be rewarded too; the biggest family, best hog caller and best husband caller, as well as many other outstanding features will bring special awards during the evening.

Admission for this big event has been announced as only 20 cents for students and 35 cents for adults.

### West Gilbertville:

By Edna Lee Joyce

Snow, snow, snow seems to be all we have nowadays. I heard that this past week. One man said to the other, "The thing that we can all be sure of this year is there will be 365 days." The other man says, "Well, I don't know about that. Last year in March the deep snow blew five days out of the week."

Mr. DeWitt of West Gilbertville went over hunting the other day and caught a snake that weighed 45 lbs. The snake was thought that was an awful big snake and knew that it must be true or Mr. DeWitt wouldn't have told it.

The Olive Horticultural Club held its meeting in the home of Mrs. Verna Walker. The meeting was called to order by the president, Mrs. Mary Rowland. The program was given by Mrs. Edna Watkins and Miss Colley. A pot luck lunch was served. Dances were out.

The following women, shown in the photograph, were the guests of the club. From left to right: Mrs. Mary Rowland, Mrs. Edna Watkins, Miss Colley, and Mrs. Verna Walker.

### Sharpe School News

By Pat Stagner

Hear Ye, Hear Ye. Get ready for the fun and games in the battle. It's Possum Trot challenging the world. Yep, that's what I said. Oh, you haven't heard? Well, I'm talking about the big donkey basketball game to be held at the Sharpe School, Monday night, January 15. It will be Possum Trot Dads riding against the rest of the Dads from Sharpe and nearby. The poster says, "thrills, chills and spills and I wouldn't be a bit surprised if that isn't the truth. Why don't you come on down and join us in the fun? Can't ever tell, you might get to ride a donkey too. The photographer was at our school today taking pictures for the annual, which by the way is coming along swell. (I just couldn't resist putting in a plug for the seniors). Old man weather isn't very obliging these days, is he? Bye for now, see you Monday night at the donkey basketball game. Ooops, almost forgot to mention, tickets will be 20 cents and 40 cents if bought before the game, at the gate they will be 25 cents and 50 cents.

## NEW FORD TRUCKS for '51

Feature POWER PILOT ECONOMY

See what '51 has done for America's fastest-selling 1 1/2-ton truck!

The new massive nose-front end, as on this Model F-5, makes Ford the 1951 truck leader.

For four straight years, heavy duty Ford Truck Model F-5 has been America's fastest-selling 1 1/2-ton truck!

And for 1951, Model F-5 will be an even greater favorite. Ford's step-ahead engineering has built into it, and into over 180 other models, new strength that prolongs truck life. NEW floorboard values to save you money.

See the economical new Ford F-5 now! Get the facts on the new 4-speed Synchro-Silent transmission available at extra cost. Try the comfort of the new 5-STAR and 6-STAR EXTRA Cabs. Put the Power Pilot on your payroll for a money-saving haul.

**Ford Trucks Last Longer**  
COSTS LESS  
A. Using latest registration data on 6,582,000 trucks, life insurance experts prove Ford Trucks last longer!

The Power Pilot is a simpler, fully-proven way of getting the most power from the least gas. It automatically meters and fires the right amount of gas, at precisely the right instant. It uses only one control instead of two, yet is designed to synchronize firing for accurate results. You can use regular gas... get no-knock performance.

Now you can work relaxed, in a truly "big-hearted" cab!

For '51, the new Ford 5-STAR EXTRA Cab (shown above and left) gives the driver all these extra features:

Extra riding ease, with foam rubber seat padding. Extra insulation, with 1 1/2-in. glass wool in roof. Extra looks, with features like chrome windshield molding. Extra appointments, such as two-tone seat upholstery, two door locks. Extra conveniences, like sun visors, two arm rest, cigar lighter, automatic dome light, many other extras.

You get these extras in the 5-STAR EXTRA Cab, at a cost only slightly higher than that of the 5-STAR Cab.

### HOLD THAT LIGHT, MISTER!

The match you're using may be a forest voucher for \$30,000,000! Three-quarters of our annual \$40,000,000 forest fire loss is man-caused.

Don't throw that hot match carelessly away. Break it in half and feel the burned end. If it's hot enough to burn your fingers, it's hot enough to start a forest fire. This also applies to your cigarette. Grind your ashes into the earth.

Don't smoke in the woods at all when humidity is low and the woods are dry.

Forest fires cause untold damage every year. Seedlings and young trees that would have provided tomorrow's homes, paper, fabric and plastics are gone forever in a blaze which you might have prevented.

Help the tree farmer to grow his crops to harvest. The wood is for your future use. Get and keep the match breaking habit. Grind your cigarette under your heel.

### Wins \$10,000 Cash Prize

Proof that money can grow on trees is offered by Mrs. Glen E. Mills, center, Evanston, Ill., who received a Christmas tree trimmed with 10,000 one dollar bills as first prize in a nation-wide contest conducted by the Kroger company. Son Dickie, 7, helps his mother collect the money from store manager Joseph Schwarz, second from left, and W. C. Bell, right, Kroger Chicago branch manager. Armed guards were on hand to protect Mrs. Mills' money-bearing tree. One of 500,000 entrants in the \$32,500 contest, Mrs. Mills won a 25-word letter on "What I like about my Kroger store" to win the award.

### OBITUARY

Mrs. Spicy Ann Henson was born Sept. 15, 1889, departed this life on Jan. 2, 1951, making her stay on this earth 61 years.

She was married to Ambrose C. Henson, June 23, 1915. To this union three sons were born, Hugh, Alton and Hughland. Hughland preceded her in death. She is also survived by one brother, Bernice Crouse of Benton, and two sisters, Mrs. Leslie Powell of Huntington, Tenn., and Mrs. Willard Allen, Princeton, Ky., and four grandchildren.

Funeral services were held January 4, 1951 at Union Hill Church of Christ. Pallbearers were Dewey Powell, Harlan Crouse, Dallas Darnall, Billie Henson, Clay Johnston and Paul Griffen.

Flower girls were Derrell King, Dessie Norden, Ruby Griffen and Martha Powell. Mrs. Henson was laid to rest in the Haymes Cemetery.

Another shipment of plastic sofa bed suites. Prices reasonable. Heath Hdwe. & Furn.

### Community Plan Meeting To Be Held This Month

Community Planning meeting will be held in all parts of the county during the next two weeks. Each meeting will start at 7:00 p. m. and will be held in the school building.

The purpose of such meetings is to work out ways and means of community improvement. There are many things that could be done in all areas of the county but it would be impossible to do everything in one year. We want to do some of the most important things first, that is why everyone should be at one of the meetings. Go to the one that is in your community. Colored pictures will be shown. The meetings are as follows:

January 15, Palma; 16, Sharpe; 17, Calvert City; 18, Briensburg; 19, Brewers; 23, Paidealing; 24, Oak Level; 25, Harin, and 26, Olive.

Mrs. Donald Sheppard has completed her training at Providence Hospital and will receive her B. S. degree in Technology, February 1 from Wayne University at Detroit, Michigan. She is now employed as a medical technologist on the staff of the hospital in which she interned.

Her parents, Dr. and Mrs. R. E. Foust, are planning to attend the graduating exercises at the Detroit coliseum.

## Cherry Grove:

By Effie Bowden

Over the week end we find all the homes around us, and where ever we roved with Christmas decorations down, gee. We missed the pretty colored lights over the doors and shining through windows, never has there been in our time such colorful Christmas trimmings.

We never have had so many invitations out for dinner, we have eaten at the Edward Hensons, the Marvin Chumblers, the J. T. Hensons, the G. L. Hamiltons, Billie Blaggs, Wm. Housers--we've had invitations all over the county--we hated to miss dinner at the Estes home on Route 7, we met their son, Rev. Estes of the Broadway Baptist Church in Paducah, and his family, who were visiting the Estes family, nice to meet them. We've been too sorry, gentle readers, knowing you really meant for us to share the hospitality of your homes, as well as your cooked food and we thank each of you a million times. Cars were parked around the Aaron Ivey home Sunday afternoon.

We had the Cleve Yates family and the Bart Iveys a few nights ago as our special guests. Mr. and Mrs. Robert McKendree were over our way this Monday, pulling the car into Benton. Mr. and Mrs. Billie Blagg moved to Paducah, Saturday morning. Mrs. Hallie Cole is visiting her folks in McMinnville, Tenn. for a few days. Mrs. Harlie Houser, Route 3, has returned home after spending a few weeks in Detroit. Mrs. Houser says, "Send us the Tribune, please, I miss it."

Subscriber for 1951 was Mrs. Rex English of Route 7, afternoon. Our words of sympathy go to the many folks who were unable to give them, would go to the many friends of ours who have loved Mrs. Hunt had for her holiday ones over the holiday season, guests her sister from St. Louis, We enjoyed knowing Mrs. Mat as well as her, Raymond, and the Reid, Mrs. Ambrose Henson.

## Time For Chores

It's time for the chores when Jack Powellson and Harry Andrews of the WLW farm department swap notes and information on the progress of the dairy herd at Everybody's Farm. They air the weekday "Everybody's Chortime" program at 6:30 a. m. EST.

wife and little son, Mike, from Paducah. This scribe has been spending a few days with the one and only sis, Mrs. Gertrude Smith, of Benton.

Aunt Lucy Perry of Brewers is spending a few days with her granddaughter, Mrs. Woodrow Holmes, in Benton. Mrs. Ward Lock of Route 1 was in Mayfield, Saturday shopping.

This family attended church services in Mayfield, Saturday afternoon. Our words of sympathy go to the many folks who were unable to give them, would go to the many friends of ours who have loved Mrs. Hunt had for her holiday ones over the holiday season, guests her sister from St. Louis, We enjoyed knowing Mrs. Mat as well as her, Raymond, and the Reid, Mrs. Ambrose Henson.

We had a pleasant visit with our Freedom Corner Tribune friends last week, for the first time. We met our correspondent, Miss Sue Donohoo, only Miss Sue is now Mrs. Puckett but she will keep her pen name. Sue was married last summer. She didn't send in her wedding for printing in the Tribune, but we Tribune folks congratulate the bride and the groom anyway. Freedom Corner is really bursting out with news. Mrs. Roy Vasseur says, "There is always something happening in this corner." Rev. Ashbridge has the care of Lakeview Church now. Rev. Ashbridge and family live in Benton.

## Four Sarahs...

The first Sarah came to America in the "nineties." She was poor, but she loved her husband, her children, and her God. That three-fold love was the heritage she gave her family.

The second Sarah married a "doughboy." She prayed for him through the long months of trench warfare. Then the Armistice, and he came home to her!

The third Sarah saw her teens against the background of Depression. She met Bill, and they fell in love. Then Pearl Harbor... Corregidor... and the Jap prison. While she worked in a war plant she prayed. She never gave up hope. Then V-J Day, and as soon as he was discharged from the hospital they were married.

The fourth Sarah... her story is still to be written. But the courageous faith of the others will be hers, too, Sarah and Bill will see to that... with the help of the Church.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## New Plymouth Combines Beauty and Riding Ease

Detroit, Mich. — Spectacular new qualities which produce driving and riding ease heretofore unknown in automobiles of any price feature the new line of Plymouth cars. Combining smart new body lines with unprecedented interior luxury, the new Plymouth will go on display in dealer showrooms throughout the United States Saturday, Jan. 13.

Designers have given the Plymouth a striking new silhouette, and refinements in the interior are innovations in the lowest price field. The styling improvements retain the traditional roominess of the cars.

Easier to drive and more comfortable, the new cars have greater beauty, more safety features and broader ranges of vision than ever before.

Engineers say the new "Safety-Flow ride" takes the bounce and wobble out of bumps. A new application of hydraulic flow control in the shock absorbers provides a more gradual change of resistance during spring deflections and thus a softer ride when driving on average roads. It also exerts extra resistance on rough roads to a degree where driver and passengers are almost completely freed of the discomfort of being jolted around.

The "Safety-Flow ride" is one of the greatest contributions to driving comfort and safety in recent years, according to D. S. Eddins, president of Plymouth Motor Corp.

"The new Plymouth gives you roadability never before offered in any car," he said. "There is no necessity for steering wheel fatigue to control the car on difficult roads. The driver is no longer required to focus full attention on the condition of the road. He may be more watchful of oncoming traffic, pedestrians, curves, crossroads and other potential hazards."

Eddins called the new development a major step toward restful motoring. More confidence is gained by driving or riding in a new Plymouth with the "Safety-Flow ride," and as a result there is less driver and passenger fatigue, he said.

The lines of the new Plymouth have been beautified. An appearance of massiveness combined with smart streamlining is induced by a new grille, beautifully redesigned front fenders and hood, a wider windshield and a larger rear window. Narrower windshield pillars together with the wider windshield provide additional lateral vision. To utilize fully the greater vision through the new rear window, the rear view mirror is two inches wider. The chair-height front seat and the new design of hood and front fenders permit the driver to see the road nearer the car.

There are numerous mechanical improvements. Windshield wipers are electrically operated, and are of the single-speed, self-parking type.

A unique pressure-vent radiator cap, which has been added as standard equipment, permits the cooling system to be operated at atmospheric pressure during normal driving conditions. Under high-load, high-temperature driving conditions, the new radiator cap provides a pressurized cooling system to allow high coolant temperature without boiling or loss of anti-freeze.

All Plymouth engines now have a built-in by-pass cooling system permitting water circulation and resulting in more uniform temperature throughout the engine during the warm-up period. The new system consists of a passage in the cylinder head and block providing direct access to the water pump, and a choke-type thermostat to regulate coolant flow to the radiator.

The generator output has been raised to 45 amperes, an increase of five amperes, providing greater electrical capacity for the operation of car accessories. The new hand brake "T" control handle is more accessible, and, as on former models, it operates independently of the foot brake as an added safety measure.

In the convertible club coupe, the spare tire is mounted vertically as in other coupe and sedan models, rather than on the trunk floor.

The new Plymouth interiors offer the finest selection of upholstery and trim and the most harmonious color schemes in the company's history. The colors which have been chosen provide throughout the interior a pleasing combination of shades in harmony with the car's exterior color. Designers say the interior is an unparalleled achievement in combining practicality with luxury. Always noted for spaciousness, the new Plymouth has even more head room and more room to stretch out in comfort in the rear seat.

To go with the high quality of the upholstery, there is a handsome new instrument panel which features a more convenient grouping of controls, newly shaped instruments and improved coloring and lettering for easier checking while driving.

The wide, deep chair-height seats, the ease of entrance and exit, and all the other traditional Plymouth features for driver and passenger comfort have been retained.

There are nine body-types in the new Plymouth line: the Concord series includes a two-door sedan and a three-passenger coupe as well as the two all-metal utility models, the Suburban and the Savoy; the Cambridge series has a four-door sedan and a club coupe; and the Cranbrook series includes a four-door sedan, a club coupe, and a convertible club coupe.

The Suburban and the Savoy, with their smart, distinctive lines are all-purpose vehicles. They have the beauty and comfort of a sedan, and by simply lowering the rear seat flush with the floor they become sturdy cargo carriers for farmers, salesmen, sportsmen, tourists or others who require large cargo capacity. The Savoy, called the "country club companion" of the Suburban, provides a greater variety of luxurious interior appointments and more exterior refinements to enhance the car's striking appearance.

Among the "high-priced car" features which are retained are six-cylinder, 97-horsepower engine with a 7 to 1 compression ratio, the combination ignition and starter switch, automatic electric choke, super-cushion tires, safe-guard hydraulic brakes, and safety-rim wheels.
